Subject: Fw: Little Eric & Jenny

Little Eric and Jenny are only 13 years old, but they know they are in love.

One day they decide that they want to get married, so Eric goes to Jenny's father to ask him for her hand.

Eric bravely walks up to him and says, 'Mr. Smith, me and Jenny are in love and I want to ask you for her hand in marriage.

Thinking that this was just the cutest thing, Mr. Smith replies, 'Well Eric, you are only 13. Where will you two live?

Without even taking a moment to think about it, Eric replies, 'In Jenny's room. It's bigger than mine and we can both fit there nicely.

Still thinking this is just adorable, Mr.. Smith says with a huge grin, 'Okay then how will you live? You're not old enough to get a job. You'll need to support Jenny.

Again, Eric instantly replies, 'Our pocket money. Jenny makes five pounds a week and I make 10 pounds a week. That's about 60 pounds a month and that should do us just fine.

Mr. Smith is impressed Eric has put so much thought into this. 'Well Eric, it seems like you have everything figured out. Just have one more question. What will you do if the two of you should have little ones of your own?

Eric just shrugs his shoulders and says, 'Well, we've been lucky so far.

Mr. Smith no longer thinks the little shit is adorable.
